

**BELT & ROAD
INITIATIVE EMBA
PROGRAM
(BRI EMBA)**

A WHOLE NEW WORLD

A Unique BRI EMBA Program by China's Top University

Building on a wealth of educational and industrial resources of Tsinghua University, the Belt & Road Initiative EMBA program (BRI EMBA) offered by Tsinghua PBCSF aims to help entrepreneurs and business leaders acquire an in-depth understanding of China and BRI countries' economy, and explore new opportunities under the Belt & Road Initiative.

Program Highlight

- Finance Focused: 80% of the curriculum is focused on finance and macro economics.
- Global Perspective: Students of the Program hail from 26 countries and regions.
- Forefront Practice: 80% of program faculties are regulatory officials and industry elites.
- BRI Insight: Class modules are cross-regional, ranging from Beijing, Shanghai and Shenzhen to Singapore, Kuala Lumpur, Jakarta and more, exploring new investment opportunities under the Belt & Road Initiative.

Best Finance School in World-class University

History

1911

Founded in 1911, Tsinghua University is the most reputable university in China (No.1 in China in 2022 World University Rankings)

For over four decades, the School's dedication and passion for financial education and research have helped it develop into an intellectual hub for China's financial talent, an active participant in China's economic development, and a key facilitator of China's financial reforms.

1981

The Graduate School of the People's Bank of China Research Institute of Finance and Banking established

Tsinghua PBCSF is home to over 7262 alumni, including fifteen at the ministerial-level, and countless top financial executives.

The School's accomplished alumni proudly claim many titles in their contributions to the dynamic transformation of China's economic and financial landscape. These include:

1994

Renamed the Graduate School of People's Bank of China

- Authors of China Financial Reform Strategy Framework, known as the "Blue Book of China's Financial Reform"

2012

Tsinghua University PBC School of Finance established

- Establishing China's first joint-stock commercial bank: China Merchants Bank

- First general manager of China's first securities firm: Shenzhen SEZ Securities

- First president of China's first listed bank: Shenzhen Development Bank

- Founding China's first mutual fund: Fudao Fund

- Creating China's first standardized bank card system: UnionPay

Cross-regional Class Modules

Classes are delivered alternately between major Chinese cities (Beijing, Shanghai, Shenzhen, etc.) and global metropolises (Singapore, Kuala Lumpur, Jakarta, Bangkok, Dubai, Abu Dhabi, etc.) More locations are being planned.

Experiential Learning

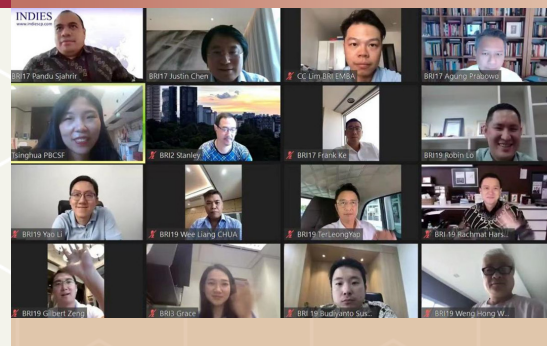

In each 5-day module, 4 days are spent on in-class lectures, while 1 day is set for company visits.

In-depth visits to local leading companies and financial institutions, are carefully planned and arranged, including China Life Insurance, Industrial and Commercial Bank of China, China Development Bank, CIMB, YLT Group, Government of Singapore Investment Corp(GIC), Singapore Exchange, Tencent, Alibaba, Tokopedia, AirAsia, etc.

Offline/Online Hybrid-Learning

Online and hybrid class meetings and sharing sessions have been added as an effective component of class modules since the COVID-19 outbreak. They have become an integral complement to our in-person classes.

Online and in-person class meetings and sharing sessions are held every 1-2 months, focusing on China and BRI countries' macroeconomic outlook and investment opportunities.

Student Testimonials

I chose Tsinghua because it is one of the best universities with over 100 years of academic development and excellence.

Tengku Zafrul Aziz

Minister of International Trade and Industry, Malaysia

A very important task of the ACCCIM is to promote economic and trade cooperation between China and Malaysia. I have witnessed how China began to progress and am very excited about China's development.

Ter Leong Yap

Executive Chairman of Sunsuria Berhad
Former President of ACCCIM

There has not been any major tech company listed on the IDX, It's a completely different story with China and the US where the top 10 capitalisations are owned by tech companies. We need to take a more active role in preventing tech company from leaving for other capital markets.

Pandu Sjahrir

Commissioner of Indonesia Stock Exchange (IDX)
Founding Partner of AC Ventures

Although I have an MBA from Harvard, I have admired Tsinghua because it is one of the top universities in China. The opportunity to learn from the best, and among the best and to get to know some of the brightest minds in the country was a key reason for me to apply to the school.

Anthony Tan

Founder & CEO of Grab Holdings

People who study in PBCSF are all high-quality leaders in diversified fields. I believe I can learn a lot from them.

Joseph Chee

Founder & Chairman, Summer Capital Management Company

Shangri-la attaches great importance to the expansion of China's tourism market, so we are strategically aligned with China's development plan.

Kuok Meng Xiong

Director of Shangri-La Group

Here, I see lots of new things and new ideas. What has developed in China in the past 15 years is something that we can try to follow.

Anindya N Bakrie

CEO of Bakrie Global Venture

Our program is highly international. Lecturers come from China, the United States, Southeast Asia and so on. In this way, we can ensure that our knowledge system is systematic and complete, and also hear eclectic views on globalization from a range of fascinating perspectives.

Jefferson Lanjie Chen

Co-Founder and CEO
Advance Intelligence Group (AIG)

The Belt and Road Initiative is bound to be a major trend that will not be reversed, and it will develop even faster in upcoming years.

Aaron Tan

Co-Founder and CEO of Carro

A year ago, I came to Tsinghua University and studied logistics for two days. Our current business spans across the entire Southeast Asia region. This time I participated in a two-year study program, and I think it will enable us to expand our business even further to the globe.

Robin Lo

CEO of J&T Express

I really want to know and explore more opportunities in China and how we can penetrate into the China market.

Enrique Gonzalez

CEO of IP-Biotech

Tsinghua EMBA BRI program offers a platform that brings great company and people together. We truly harness the power of BRI's networks and academic resources.

Sichen Huang

Founding Partner of Fenrir Capital
